REMARKS

25X1

1. On 24 July 1952, [redacted] 25X1
two type-30 planes, and [redacted] 25X1
[redacted] 12 type-27 aircraft at Jueterbog-Altes Lager airfield:
[redacted] (1) Two ground
attack planes [redacted] were 25X1
observed at the field. (2) Colonel Garachov (fnu) was assigned to the
field. (3)
2. Between 9 a.m. and 2:30 p.m. on 25 July, two biplanes and a high-wing 25X1
monoplane made local flights at the field. A twin-engine plane [redacted] 25X1
[redacted] landed at the field at 10:15 a.m.
and again took off at 10:30 a.m. Aircraft parked at the field included
21 jet bombers, 2 twin-engine planes with nose wheels, 4 single-engine
aircraft, 2 biplanes and 3 high-wing monoplanes. [redacted] 25X1
[redacted]
3. It was difficult to observe the field because of the fence which was
erected along the east edge of the field as far as the runway. Another
fence was under construction from the southwestern corner of the field
toward the north.
4. Six 37-mm AA guns, 50 to 60 meters apart, were emplaced along the eastern
edge of the field. There was also a four-cornered canvas-covered device
on a single-axle trailer. A row of small tents and a large tent were
next to the AA gun emplacement. (4) Truck [redacted] was observed at 25X1
the field.
5. The following observations were made at the field between 21 and 30 July:
- 21 July. Trucks [redacted], each with a trailer, hauled
bread from the consumers' bakery in Jueterbog. These air force vehicles
[redacted]
- 22 July. One large tent and 11 tents, each with a capacity of 10 to
15 soldiers, were observed near the AA gun emplacement along the edge

[] Comments.

- (1) [] belong to the bomber regiment which was transferred from Cottbus to Jueterbog on 26 July 1952.
- (2) [] probably mark the assignment to the squadrons of a ground attack regiment.

[] The aircraft may belong to the ground attack regiment in Reinsdorf.

[] Further observations are required for a clarification of this point.

- (3) The name of this officer is reported for the first time.
- (4) The AA gun emplacement was previously reported several times. The four-cornered device possibly is a radar set.
